CAUSE NO. 42315

FILED

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") makes the following entry in this Cause:

JUN 3 0 2003

INDIANA UTILITY
REGULATORY COMMISSION

As a result of the Petition filed in this Cause on October 30, 2002, the Commission, on May 15, 2003, issued an Order granting Home Phone, Inc. ("Petitioner") a Certificate of Territorial Authority ("CTA") to provide local exchange telecommunications services throughout the State of Indiana on a bundled resale basis. This Order noted that even though the evidence filed by Petitioner in this Cause revealed a desire to offer Caller-ID service, the Petition did not request authority to offer Caller-ID service and the CTA did not include authority to offer Caller-ID. On May 30, 2003, Petitioner filed in this Cause a *Verified Petition to Amend Certificate of Territorial Authority*, seeking authority to provide Caller-ID service.

As stated in the Commission's May 15, 2003 Order, Caller-ID is a distinct telecommunications service that must be specifically requested, and Petitioner is free to file a separate petition seeking authority to offer this service. As a distinct telecommunications service, Commission action upon a request to offer Caller-ID must be pursuant to a properly noticed public evidentiary hearing. Since Petitioner did not request authority to offer Caller-ID in this Cause, but only requested authority to offer bundled resold local exchange services, public notice was not given of a request to offer Caller-ID. The record in this Cause is closed and Petitioner's request for the Commission to amend the CTA in this Cause to authorize Caller-ID service cannot be granted.

Petitioner's request to offer Caller-ID should be filed as a separate petition, captioned in a manner that, upon publication of notice by the Commission, provides notice of the specific relief being sought. Upon filing, such petition will be assigned the next available Cause Number, and will proceed in standard procedural fashion toward an evidentiary hearing and Commission Order.

IT IS SO ORDERED.
